CABERNET FRANC

BOUNDARY BREAKS

WINE TYPE	Still wine

TASTING NOTE

We employ vineyard techniques that seek to achieve small berry size which yields sufficient color and structure, while exhibiting lots of fruit in the finished wine. These specific vineyard practices enable us to produce uncommonly ripe fruit in a cool climate, which yields structured, full-bodied wine. A small amount of Merlot softens the tannins and make this Cabernet Franc very approachable at a young age.

PRODUCER

Boundary Breaks is located on the east side of Seneca Lake in the Finger Lakes AVA of New York. In 2007, owner Bruce Murray purchased a 120-acre farm that had been in the same family since 1850. Murray's goal was to develop a vineyard that could yield Finger Lakes Rieslings and Cabernet Franc wines comparable to those produced in iconic regions around the world.
