

DELIGEROY

Crémant de Loire Brut Rosé Deligeroy AOP Crémant de Loire, Vallée de la Loire et Centre, France

DELIGEROY is inspired by the Latin name of the Loire River, « Liger ». It is a tribute to this region of the kings of France, rich in winemaking know-how and history. DELIGEROY is a promise of quality. The wines embody the spirit of the Loire Valley, combining elegance, celebration and excellence.

PRESENTATION

The meticulous selection of the grapes, of the noblest juices, the vinification according to the traditional method and the ageing on laths in our tuffeau galleries make Deligeroy the perfect pairing for moments of sharing.

LOCATION

The production area of Crémant de Loire, located in the south of the Loire, covers 2700 hectares. It is made from Cabernet franc grapes selected from a plot in the southern part of the Saumur region.

TERROIR

The grapes come from clay-limestone, tuffeau and schist soils in the south of Saumur. Hand harvesting allows us to carefully select the fruits for our fine sparkling wines.

VINIFICATION

Gentle pressing and cool fermentation (18°C) preserve the delicate and pure aromas of the grapes. The second fermentation in the bottle, according to the 'traditional method', brings elegant bubbles to our wines.

AGEING

Bottles are then aged on laths for a minimum of 12 months, before disgorging, in our tuffeau cellars.
