# L'Eterna

## BRUT

Now Corsica has its great festive and friendly sparkling wine like other wine regions.

L'Eterna is the latest 100% Corsican creation of the Cave d'Aléria with a bottle created especially for this brand.

### ***Grape variety***

Blending of white Mediterranean grapes

### ***Winemaking***

The harvest, from parcels specially selected for their sandy/lemony soils, is done at optimal ripeness of the grapes. This is followed by a double fermentation, the second of which is in a closed vat, and then a 3-month ageing period before bottling.

### ***Tasting***

The color is pale yellow with green reflections, its reserved nose opens on the yellow fruits ripe with a lemon gesture. The fruitiness is confirmed in an intense and fresh palate, the bubbles remain fine enhanced by a touch of roundness in the finish.

### ***Gastronomy***

L'Eterna will enjoy herself as an aperitif or at festive parties. It can also accompany your meal perfectly with fine and refined dishes such as scallops.

### ***Gencode***
