Villa Sinnae, AOC Côtes du Rhône Villages Laudun, White, 2021

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

After a dry winter, with the soil mineralising under the best possible conditions, the early spring was marked by frosts which had a severe impact on the Côtes du Rhône vineyards. Despite this, the terroirs of Maison Sinnae were relatively spared, which enabled the vegetative cycle to get underway with average earliness. The rather rainy spring gave rise to abundant flowering. This produced fresh, taut rosés, powerful, tannic reds and an exceptional white vintage.

PRESENTATION

Villa Sinnae is inspired by the passionate love that Caesar had for his very first wife, Cornelia Sinnae, symbolised by this mosaic found on the Gallo-Roman Oppidum overlooking the villages of Laudun and Chusclan.

A cuvée in honour of this passionate love which still resonates today on the lands of the right bank of the Rhône. A bold, sensual cuvée in homage to the men and women who shape this cuvée vintage after vintage.

TERROIR

The vines are planted on stony and gravelly slopes with high drainage, poor soils in a Mediterranean climate under the influence of the Mistral wind. This terroir gives the Maison Sinnae wines a beautiful aromatic richness and astonishing freshness.

Crushed and destemmed harvest. Direct pressing. Settling of the must and vinification at low temperature (16°C).
