GROS MANSENG – PETIT COURBU – PETIT MANSENG

The history of the wine

Cirque Nord represents the work of skilled craftsmen and women; a skill which has taken SAINT MONT white wines to the very top. Today they are recognized by wine professionals as being among some of the most original of France.

The terroir

Cirque Nord is a fine wine produced from grapes selected from an amphitheatre-shaped parcel situated at the top of a hillside with amazing variegated clay soil. The parcel enjoys a north-westerly exposition that is particularly conducive to the varietal expression of Gros Manseng. Petit Courbu and Petit Manseng, in the meanwhile are ideally situated on a milder, sunnier, south-westerly slope.

Ageing

Matured on the lees for 6 months with lees stirring in the barrels and brassage of the lees in tank which plays a determining role in the construction of the mid-palate and ensures the wine's aptitude for bottle ageing.

WHITE WINES

91 Plaimont 2019 Cirque Nord Grande Cuvée (Saint Mont). Gros Manseng, Petit Courbu and Petit Manseng have come together in this richly complex wine. Along with tastes of lemon and honey that are filled out with spice and ripe acidity, the peach and kiwi flavors are powerful and intense. Drink the wine from 2022. Brickell Wines LLC. —R.V.
