No Limit No Alcohol -- RED

THE STORY

Still not recovered from last night's party? Health at the heart of your priorities? Personal convictions? Simply want to drink without alcohol?

NO LIMIT is the perfect answer to all these obstacles to alcohol consumption. There is no limit except the capacity of the bottle... and believe us, you may want to cross that limit and open a second one! We won't tell, we promise.

THE WINE

VARIETALS: Merlot 96%, Cabernet franc 4%

VINIFICATION / AGEING: Vinification on the fruit to provide a good base for the final product. Rebalancing of the sweetness and aromas in order to preserve the qualities of the basic wine while offering an original and tasty product.

TASTING NOTES

The palate is very aromatic and surprisingly reflects the terroir of the base wine.

It is not wine, but the wine tasting codes are definitely present.

SERVING / FOOD AND WINE PAIRINGS

SERVING: 15°C.

FOOD AND WINE PAIRINGS: Aperitifs, Cheeses
